Selection Process - Test Scores

3. Provide data for all students for whom a test score was used in the admissions decision for Fall 2023. Include new students admitted the summer prior to Fall 2023. If you report less than 5 students for any of the scores, do not report percentiles.

Institutions that use test scores for some students report the number of students for whom test scores were used.

Number of enrolled students for whom an SAT score was used in the admissions decision	515
Percent of enrolled students for whom an SAT score was used in the admissions decision	10
Number of enrolled students for whom an ACT score was used in the admissions decision	3,414
Percent of enrolled students for whom an ACT score was used in the admissions decision	66

Report the scores used in the admission decision, whether test scores are required or are only considered for admission. If you report less than 5 students for any of the scores, do not report percentiles.
